

Who is Erie Insurance?

“We’re your
insurance company.”

At Erie Insurance we know that people have insurance for a reason...to protect them financially if something bad should happen. To help them get back to normal. We’ve been helping people make things right since 1925, working side-by-side with the best Agents in the business.

A lot can change in that many years. But at Erie Insurance, well, some things never change.

We still live by the Golden Rule, treating people the same way we’d like to be treated. (That means knowing what’s right and doing something about it.) It makes sense in business, and it makes sense in life.

We still strive to provide our Customers with as near perfect protection, as near perfect service as is humanly possible, and to do so at the lowest possible cost.

People say we’re a big insurance company that doesn’t act like one. That’s why our Customers recommend us to family and friends (and we appreciate every word).

Erie Insurance. We offer the protection you need and the service you expect—all at a fair price. That’s who we are.
